

### MPC PARTICIPATES IN STUDENT CAREERS PROGRAM AT MPF ANNUAL CONVENTION

The MPC encouraged past and current COE students to attend the second annual *Student Careers Program* held on March 14<sup>th</sup>, during the Midwest Poultry Federation's Annual Convention.

Eleven past and present COE students participated in the event. Past graduates Myah Walker (Sparboe Farms) and Aaron Ripplinger (Pilgrims) participated in the Industry Career Panel. Past graduates Logan Hulst (Hy-Line International) and Brian Joyer (Hy-Line NA) also participated in the speed networking event. Seven COE students attended the event to interview and network within the industry.

MPC staff served on MPF's Student Careers Program planning committee, participated in the event's speed networking session, and helped arrange internship and job interviews for the COE students in attendance. Thanks to all the COE students who participated in this event.
